## 2015 SONOMA COAST CHARDONNAY

“My personal go-to white at my local supermarket, the 2015 Sonoma Coast Chardonnay is real Chardonnay class at a bargain price. It opens with notes of grapefruit, peaches and cream and honeyed toast with a touch of pineapple. Medium to full-bodied, the palate is purely fruited with a lovely suggestion of creaminess plus great intensity and length. With nearly 22,000 cases produced, I’m happy to report there should be loads of this to go around!”
